### Marinfloc Exchange Service for OCM cell model OMD-24 & OMD-2005

Dear Marinfloc Client.

We are pleased to offer the below options to ensure a cost effective way to keep your OMD unit functional and compliant with the I.M.O. Resolution MEPC.107(49).

Please note that our exchange system is solely a calibration service. For clarity, we cannot exchange complete OMD units or any other OMD’s components. Please note that we can always quote a repair service if required, this order form shall not be used for such cases. **PLEASE ENSURE that attached RMA-form sent with OC is sent back together with cell.**
